GREENBELT POLICE TO CONDUCT VARIOUS TRAFFIC SAFETY CAMPAIGNS DURING THE MONTH OF SEPTEMBER

This month the Greenbelt Police Department will be participating in various high-visibility campaigns to help ensure the safety of both drivers and pedestrians in our City. These campaign activities will include weekend patrols looking for impaired drivers, daytime patrols to enforce both driving and pedestrian safety laws coinciding with the start of the school year plus nighttime enforcement of occupant protection laws in order to remind motorists and their passengers that safety belts and safety seats do indeed prevent injuries and save lives. Please drive safely.
